

# SAFETY TIP OF THE WEEK

## ZERO HARM

**Do you know what your fatal risks are? Falls?  
Electrocution? Driving? Fire?**

**The majority of fatal accidents have these common  
root causes**

- Failure to identify hazards
- Failure to manage the hazard

### **SLAM RISKS**

**Stop;** Think through the task from beginning to end.

**Look;** Identify the hazards for each job step.

**Analyze;** Determine if you have the proper knowledge, training, and tools. Has a JSA been completed?

**Manage;** Remove or control hazards and use required PPE.

Report all hazards to your supervisor.
